Hi all.

I just spoke with USGS - they are circulating and looking over the ppt and would like to have a conference call on Friday at 2pm ET.

They will set it up. Please plan to be available to call in.

I need names for the invite ..

This is a technical discussion . Donna Meyers is identifying folks from USGS who are needed .

Here's my start of an EPA list. Ayn/Alice/Dave, please edit as needed - thanks!

Best,

jose

DRAFT DELIBERATIVE

Hi all. A big thank you for patiently working through the draft presentation. Attached is what was sent.

Please be on the lookout for invites for technical discussions with USGS in the next few days . It's critical that these are held this week - this is a priority activity .

Best to all,

jose
